## COMPANY OVERVIEW

---

Creative Spark specialise in crafting innovative technical production for any event. With decades of expertise in the theatre and events industry, we bring our creative spirit and technical know-how to develop customised concepts tailored to your event.

We have a wide and varied hire stock available for dry hire to other professionals and companies. Whether you are looking to top up your stock or hire specialist equipment to enhance your upcoming event, do get in touch and we would be happy to help.

We're a small family-run business that prides ourselves on top-notch customer service, making sure communication is always our number one priority.

## OUR PROMISE

---

We will...

- Offer great attention to detail, a personal service and strong support
- Provide comprehensive quotations so there are no hidden costs
- Ensure our equipment is in the best condition and safe for use
- Provide full PAT results for all equipment hired
- Ensure the equipment is prepped and ready for the agreed hire times
- Deliver on plan

## HIRE TERMS AND CONDITIONS

---

Please check availability and pricing with Creative Spark prior to confirming items with your client. At point of enquiry we will provide an accurate quote to include delivery/collection if required. This quote will reserve the equipment for a period of 30 days.

For your first hire with Creative Spark Services Ltd, we will require full payment payable within 30 days of confirmation or 5 days prior to the start of your hire, whichever is sooner. For subsequent hires we will invoice for the hire on collection/return of the equipment.

Creative Spark Services Ltd gives no warranty that the items are fit for the hirer's purpose or purposes. It is the hirer's responsibility to ensure that the items will be fit for every purpose which they require of them.

The hirer further agrees that: -

- (a) they are aware that the items are supplied for the purpose for which they were manufactured
- (b) the items will only be used by suitably qualified individuals
- (c) the items will not in any way be adapted or altered

All loss, breakages and/or damages caused by fault are chargeable. It is assumed that our equipment will be safe and secure when left unattended.

Hires are subject to our standard Terms and Conditions which are available on request.
